A VERY WARM WELCOME TO THE APPLEWOOD CARE HOME

WELCOME TO OUR HOME

Located adjacent to a delightful orchard and wildflower garden, The Applewood is a beautiful care home where caring with kindness is at the heart of everything we do.

From our kind care team to our professional housekeeping service, we work around the clock to make sure everyone in our home is supported to live better in each moment of every day.

YOUR HOME, YOUR LIFESTYLE

By taking the time and by understanding the life story and experiences of every individual, we ensure the care we provide supports freedom of choice and means the people living in our home are cared for by people who care about them.

We work together with residents and their families to create a personal care plan, designed with the latest care planning technology, to make sure we can help meet each individual's goals and wishes.

Built with sustainability in mind,

The Applewood is a fossil-free home that incorporates eco-friendly initiatives through technology and innovation, including:

- Low carbon air source heat pumps
- Underfloor heating
- Solar panels
- Electric vehicle charging points
- Energy efficient low flow toilet cisterns
- LED lighting system
