RESIDENTIAL AND NURSING CARE HOME

A VERY WARM WELCOME TO ADELAIDE HOUSE RESIDENTIAL AND NURSING CARE HOME

WELCOME TO OUR HOME

Located in a quiet residential area of Walton-on-Thames, Adelaide House is a warm, friendly care home where caring with kindness is at the heart of everything we do.

From our kind care team to our professional housekeeping service, we work around the clock to make sure everyone in our home is supported to live better in each moment of every day.

CARING ABOUT YOU AS A PERSON

By taking the time to talk to people and their families to understand their life stories, we are able to tailor the care and nursing we provide so it reflects individual choices and needs.

We also use our knowledge and experience to provide practical advice and support so people living here have access to the specialist medical and healthcare services they need. We work together with families and medical professionals to create personal care plans. We do this using the latest care planning technology. This means that at anytime of day or night, we know what each persons care plan is and can use the information in it to find ways to support peoples individual needs and wishes.

We also understand that people's needs change so we regularly review each person's care plan to ensure they are getting the support they need at whatever stage they are at in their care journey.

CARING WITH KINDNESS

Adelaide House is our residents' home and we are here to support them to continue enjoying as many of the things they love for as long as possible.

Our professional carers and qualified nursing team are available 24 hours a day so you have the peace of mind that there is always someone on hand to provide both personal and medical care.

Our skilled chefs are able to prepare tasty snacks and meals even for more complex dietary needs, while our housekeeping team look after all the laundry and keep everywhere clean and tidy.

We also have team members who provide a wide range of regular activities and entertainment designed to support better physical and mental wellbeing by encouraging people to stay active and to be sociable.
