NURSING AND NURSING DEMENTIA CARE HOME

A VERY WARM WELCOME TO FULLARTON NURSING CARE HOME

WELCOME TO OUR HOME

Charlotte Beaumont, Home Manager

With a wealth of knowledge and experience in providing residential care and nursing support, Charlotte understands how to help people with more complex clinical needs to have the best possible quality of life. Charlotte is very proud of the team she leads and how passionate they are about delivering the highest standard of care for every single person living at Fullarton.

“I’m so proud of my team and the kind and supportive home we have created. Caring for the people that live here, listening to their stories and trying helping them to have the best possible quality of life is a real privilege.”

CARING ABOUT YOU AS A PERSON

By taking the time to talk to people and their families to understand their life stories, we are able to tailor the hospitality, lifestyle and care we provide to reflect individual choices and needs.

We use our knowledge and experience to help people to be as independent as they want to be for as long as possible. We work together with families and medical professionals to create personal care plans that support and can even improve both mental and physical health. We do all this using the latest care planning technology. This means that at anytime of day or night, people living here, have the peace of mind that all our team know what their care plan is and can use this information to help support their needs and wishes.

We also understand that people’s needs change so we regularly review each persons care plan to ensure they are getting the support they need at whatever stage they are at in their care journey.

Fullarton is rated Good in all areas by Care Inspectorate Scotland

“I was impressed with the quality of care and attention provided to my mum. The staff are warm and approachable. The facilities were clean and maintained. The communal space is lovely and offers the opportunity to have a cup of tea with your loved ones.”

Overall experience 5 out of 5.

CARING WITH KINDNESS

Fullarton is our residents' home and we are here to support them to continue enjoying as many of the things they love for as long as possible, even if their needs change and become more complex.

Our professional carers and qualified nursing team are available 24 hours a day so you have the peace of mind that there is always someone on hand to provide both personal and medical care.

Our skilled chefs are able to prepare tasty snacks and meals even for more complex dietary needs, while our housekeeping team look after all the laundry and keep everywhere clean and tidy.

We also have team members who know how to support people with more complex needs so they can continue to do activities they enjoy. This may be reading in a quiet corner, enjoying a favourite film or chatting over a coffee and cake with friends and family.
