A VERY WARM WELCOME TO ADMIRALS REACH NURSING CARE HOME

WELCOME TO OUR HOME

Lal Mangalam, Home Manager

With a wealth of knowledge and experience in providing residential care and nursing support, Lal understands how to help people with more complex clinical needs to have the best possible quality of life. Lal is very proud of the team he leads and how passionate they are about delivering the highest standard of care for every single person living at Admirals Reach.

“I’m so proud of my team and the kind and supportive home we have created. Caring for the people that live here, listening to their stories and trying helping them to have the best possible quality of life is a real privilege.”

CARING ABOUT YOU AS A PERSON

By taking the time to talk to people and their families to understand their life stories, we are able to tailor the care and nursing we provide so it supports a sense of independence even for people with more complex clinical needs or conditions like Dementia.

We also use our knowledge and experience to provide practical advice and support so people living here have access to the specialist medical and healthcare services they need. We work together with families and medical professionals to create personal care plans. We do this using the latest care planning technology. This means that at anytime of day or night, we know what each persons care plan is and can use the information in it to find ways to support peoples individual needs and wishes.

We also understand that people’s needs change so we regularly review each persons care plan to ensure they are getting the support they need at whatever stage they are at in their care journey.

- ✓ *Is the service caring?* **Good**
- ✓ *Is the service responsive?* **Good**
- ✓ *Is the service well-led?* **Good**

CARING WITH KINDNESS

Admirals Reach is our residents' home and we are here to support them to continue enjoying as many of the things they love for as long as possible, even if their needs change and become more complex.

Our professional carers and qualified nursing team are available 24 hours a day so you have the peace of mind that there is always someone on hand to provide both personal and medical care.

Our skilled chefs are able to prepare tasty snacks and meals even for more complex dietary needs, while our housekeeping team look after all the laundry and keep everywhere clean and tidy.

We also have team members who know how to support people with more complex needs so they can continue to do activities they enjoy. This may be reading in a quiet corner, enjoying a favourite film or chatting over a coffee and cake with friends and family.
