A VERY WARM WELCOME TO BRANSTON COURT CARE HOME

WELCOME TO OUR HOME

Ruth Thomson, Home Manager

Ruth brings a wealth of experience in residential care. She leads a team that takes time to get to know each resident and understand the support they need. Ruth is proud of the kind, welcoming home her team has created and of the care they provide every day to help people feel settled and enjoy life at Branston Court.

"I'm so proud of my team and the kind and supportive home we have created. Caring for the people that live here, listening to their stories and trying helping them to have the best possible quality of life is a real privilege."

CARING ABOUT YOU AS A PERSON

At Branston Court, we take time to get to know each resident and understand what makes them feel at home. Our Home Manager and care team work with them to create a personal care plan that reflects the support they need day to day, their dietary needs, their usual routines and what matters to them.

From how they like to start their morning to the activities they enjoy and any religious or cultural practices they wish to follow, these details help make each day feel familiar. With the resident's agreement, we welcome suggestions from family members too.

We can help residents stay in touch with the healthcare professionals who support them. We also review care plans regularly with residents so we can adapt the support we provide as their needs and preferences change.

CARING WITH KINDNESS

Branston Court is our residents' home and we are here to support them to continue enjoying as many of the things they love for as long as possible.

Our care team is here 24 hours a day to help with personal care and everyday routines. Whether someone needs a hand getting ready in the morning or support at night, there's always someone here to help.

Our skilled chefs are able to prepare tasty snacks and meals even for more complex dietary needs, while our housekeeping team look after all the laundry and keep everywhere clean and tidy.

We help residents keep doing the things they enjoy, with a little extra support when they need it. That might mean reading in a quiet corner, enjoying a favourite film or sharing coffee and cake with friends and family.
