A VERY WARM WELCOME TO ACOMB COURT CARE HOME

WELCOME TO OUR HOME

Kinga Kowaliczek, Home Manager

With a wealth of knowledge and experience in providing residential care, Kinga understands how to help people who need a little bit of extra support to enjoy the best possible quality of life.

Kinga is very proud of the team she leads

and how passionate they are about delivering the highest standard of care and hospitality for every single person living at Acomb Court.

“I’m so proud of my team and the kind and supportive home we have created. Caring for the people that live here, listening to their stories and helping them to have the best possible quality of life is a real privilege.”

CARING ABOUT YOU AS A PERSON

By taking the time to talk to people and their families to understand their life stories, we are able to tailor the hospitality, lifestyle and care we provide to reflect individual choices and needs.

We use our knowledge and experience to help people to be as independent as they want to be for as long as possible. We work together with families and medical professionals to create personal care plans that support and can even improve both mental and physical health. We do all this using the latest care planning technology. This means that at anytime of the day or night, people living here, have the peace of mind that all our team know what their care plan is and can use this information to help support their needs and wishes.

We also understand that people’s needs change so we regularly review each persons care plan to ensure they are getting the support they need at whatever stage they are at in their care journey.

Acomb Court Is Rated Good
